

## **Interpretation & Translation Services**

If you require the service of an Interpreter for an appointment, either for a language other than English or for British Sign Language (BSL), please inform us at Reception so we can book an Interpreter for you.

Please note: We require at least 48 hours notice that an Interpreter is required for an appointment to give us enough time to organise it.

We also have an induction loop at reception for those who have hearing aids fitted. Please set your hearing aid to setting 'T'. In addition to this we have 4 portable induction loops that you can take into your consultation with you.

Please speak with the Patient Services Team for more information.
